

# **Class Pack and School Pack**

Alabama Coaches Workshop  
24 August 2019

# Class Pack

**Class Pack is offered by *FIRST*® as a classroom program. Class Pack does NOT include traditional teams, so students involved in the Class Pack program would not attend Alabama events.**

**If you purchase Class Pack, you can *also* purchase traditional teams. A common workflow is to use Class Pack in a classroom and identify one or more teams to register as event teams.**

# Purchasing

**Class Pack and School Pack can be purchased through the *FIRST*® Dashboard like individual teams.**

The screenshot displays the FIRST Dashboard interface. At the top, a blue navigation bar includes the FIRST logo, links for Programs, Community, Ways to Help, and About, and a user greeting "Hello, Lawrence Whisenant". Below this is a large banner with the word "DASHBOARD" in the center. A horizontal menu below the banner contains four tabs: "MY TEAMS", "PARENT/GUARDIAN - YOUTH", "VOLUNTEER REGISTRATION", and "MY CLASS/SCHOOL PACK ACCOUNT", with the last one being the active tab. Below the tabs are four buttons: "CREATE NEW ACCOUNT", "GIVE TO FIRST MISSION", "ACCESS THINKSCAPE", and "SHOPPING CART" (which has a red notification badge with the number 1). The main content area is titled "Account Information" and shows details for "Arab Junior High School" with account number "#100054", labeled as a "Class Pack/School Pack Account". Below this, there are four sections: "Account Options" with buttons for "Outstanding Tasks" and "Account Information"; "Account Finances" with links for "Team Shopping Cart" and "Payment/Product (Receipt)"; "Account Contacts/Roster" showing "Primary Contacts" with a count of 2; and "Account Events" with a note stating "Class Pack/ School Pack accounts are not eligible to participate or compete in events".
