

***FIRST*[®] Core Values**

Alabama Coaches Workshop
24 August 2019

What are the *FIRST*® Core Values?

We express the *FIRST*® philosophies of *Gracious Professionalism* and *Coopertition* through our Core Values:

Discovery: We explore new skills and ideas.

Innovation: We use creativity and persistence to solve problems.

Impact: We apply what we learn to improve our world.

Inclusion: We respect each other and embrace our differences.

Teamwork: We are stronger when we work together.

Fun: We enjoy and celebrate what we do!

Expressing the Core Values

As you go through your season, your team should embrace *and* express the Core Values.

When designing a robot, solution, model, or presentation, consider how the team's process could benefit from the Core Values, and help the team identify problems that might arise without the Core Values.
